

INTERNATIONAL PROGRAMS POLICY STATEMENT

School Sport Australia endorses student participation in international sport programs in Australia and overseas.

Rationale

School Sport Australia supports this participation in order to:

- Provide students and team officials with developmental pathways in that sport and enhance the understandings and opportunities for lifelong learning,
- Enhance intellectual, social and cultural educational outcomes for students through its exposure to different cultures in contextual situations,
- Build stronger partnerships with our NSO through the collaboration process and the elevated profile it generates,
- Raise the profile of School Sport Australia in the government and corporate communities through greater knowledge of our core business.

Context

Participation in international sport programs has one or more of three elements:

- In a world championship event,
- At an international elite level of competition,
- In an international cultural experience with sporting competition as the facilitator.

Definition

An International Sport Program can be:

- An International Sport Tours held overseas
- An International Sport Tour held at home,
- An International event organized at home by School Sport Australia,
- A School Sport Australia All Australian team
- International School Sports Federation (ISF) SSA hosted events
- Pacific School Games

Criteria of International Programs
