Coaches Comment	The boys played a very cooperative style of football. They shared the ball unselfishly to players in good position which freed up the game on a small oval and created scoring opportunities. Pleasing to see the development in terms of the understanding of playing various roles. The last quarter combination of the two teams vindicated our thoughts about the South African's ability as they got plenty of quality ball when mixed with our boys. An enjoyable finish to the tour. The scoreboard was not indicative of the competitiveness of the game.
